Short Description

Built to last and perfect for weddings, graduations, sporting events, church functions, company events and picnics, concerts and more! Our outdoor tents for sale will accommodate your needs, your guests, and parties of all sizes.

Description

General

The party tent has sloped side walls. The white tent roof has a border with sinuous edge and is made of PVC-coated polyester fabric. Corner curtains are sewn onto all 4 corners to cover the support poles. Gable walls can be detached, each has an entrance with a toggle and loop fastener. The side walls are removable in one piece. The walls are available either in white or in striped design; the sinuous edge border is always white.

Frame system

Frame

The frame is made of longitudinally welded anodized aluminum tubes 40 x 1.5 mm, material AL Mg 4.5 Mn.

Connectors:

Pole connections (nodes) and base plates made of aluminum.

Anchoring:

Galvanized round steel pegs and T-pegs, as well as steel tent pegs with hooks (only for inner tents) for anchoring the tent to the ground.

Tent skin

Tent skin made of double-sided PVC-coated polyester fabric (white and striped design: 650 g / m²); Flame retardant according to DIN 4102 B1 or M2, waterproof and rot-resistant. The sinuous edge roof border is made of the same material as the roof and is always white.
